

Hi Western ACF!

My name is Michelle and in the past weeks I have been heavily discerning the purpose God has for me on this earth and how I can use my gifts to fulfill that purpose and serve Him. Although I cannot foresee my entire purpose, I know I have been blessed with patience, an outgoing personality and leadership qualities. Over the past year serving as an FCL, I have found a lot of joy serving, getting closer to the frosh, helping them integrate into ACF and growing closer to the Lord alongside them and the rest of the FCL's. Reflecting upon this, I (look) to continue to serve the frosh cell ministry by keeping a safe and open place for incoming frosh to integrate into the ACF community. While maturing in their faith and relationship with God, and building burning desires to connect with God and brothers and sisters in Christ as they transition into a new chapter in their academic lives.

Outside of the frosh cell ministry, I seek to use the gifts I have been blessed with to build the relationships between each individual year. I believe that these relationships play a huge role in each and everyone's desire to serve the Lord, and feel welcomed and uplifted by the ACF community. In 1 Thessalonian 5:11 it says "Therefore encourage one another and build one another up, just as you are doing." My vision is to encourage all years to rely on God together, to help each other strive to be more like Jesus, and help fulfill each other's purpose together. By building each other in their faith and discipling those weaker in their faith as Paul commanded throughout the chapter.

Accepting my nominations and running for VP internals, I pray God's will be done within ACF as a whole and within each year. To unify everyone within the community to be one with Christ and for each individual to feel loved and connected within ACF.

To God be the glory,

Michelle Ko
